

WOLF RIVER LUTHERAN HIGH SCHOOL ACADEMIC INFORMATION

Preparing Christian Leaders

The requirements listed in the left-hand column are the minimum graduation requirements. The more academically challenging a student's course of study is, the more choices the student will have upon graduation. It is essential students, with their parents, check the entrance requirements for the college or university the student plans to attend to make sure their high school plans meet those requirements.

Graduation Requirements (.5 credit = one semester)			
Required for Graduation		College Preparatory Track
