Spirit Day!

Greeting Families and Supporters,

As we embrace the spirit of education and faith, we are thrilled to join the nationwide celebration of National Lutheran Schools Week! This special week is an opportunity for us to reflect on the values that make our school community unique and impactful. During this week, we emphasize the integral role that faith plays in shaping our educational journey. Our commitment to nurturing strong values, moral character, and a deep sense of community is what sets us apart. Our school is more than a place of learning; it's a community united by shared values and a common purpose. Let's celebrate the sense of belonging and support that defines Wolf River! Together, we can continue to inspire and empower the next generation. Thank you for being a part of the Wolf River family. Happy National Lutheran Schools Week! Blessings, Mrs. Kosmerchock

VERSE FOR TODAY: Words are powerful! They can maim, wound, and debilitate. They can also bless, encourage, and inspire. When the words are God's word, they are even more crucial. God's word — the Scriptures, the Gospel — is living and enduring. It imparts God's words for us, blesses us with God's life, and gives us the way to find eternal life with God. God's word tells us of his grace and teaches us how we can be born again. Let's not take God's word for granted, neglect its messages, or remain silent about its truth.

For you have been born again, not of perishable seed, but of imperishable, through the living and enduring word of God.

Our greenhouse is heated and ready for plants, but there are still many supplies that we need. The list of supplies that we need consists of soil, seeds, trays, and pots.
