8th Grade Visit Day 2024

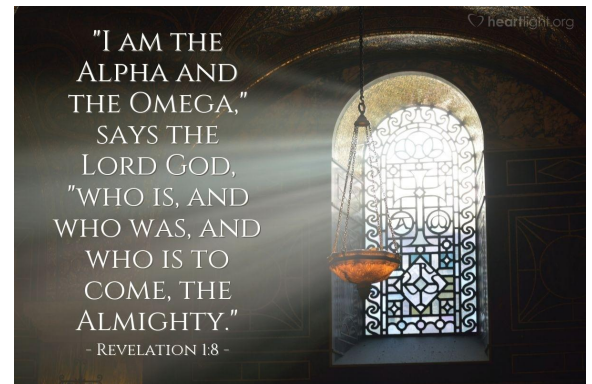

Happy New Year!

Greeting Families and Supporters,

Today is one of my favorite days of each school year. Watching 60 8th grade students interact with our Wolf River students was so exciting! As principal, I ask myself "Why?, why don't the students in our four Lutheran elementary schools continue their Christian education at Wolf River?" Seeing our classrooms, hallways, commons, and the gym filled with so many students today was truly AMAZING! Wolf River has so many things to offer the students from Biblical worldview curriculum, extracurricular activities, to building one's faith in our loving Lord Jesus Christ. So my question to each of you is "Why don't students continue their educational journey at Wolf River?" I would like to have your help with leading other families to Wolf River. I truly believe that together we can make this happen! Wouldn't it be amazing to have a freshman class of 60 students next fall? Blessings, Mrs. Kosmerchok

VERSE FOR TODAY: From beginning to end, our God is with us! What is there for us to fear? What can happen that can change this one undeniable reality? We belong to the God who is always there, who always cares for us, and who will always work to bring us life and salvation! No matter what happens to us tomorrow, the next day, or the one after that, our destiny lies with the "Alpha and Omega" who lives from beginning to end and secures life for us that never ends.
