Caleb & Noah working on auction projects!

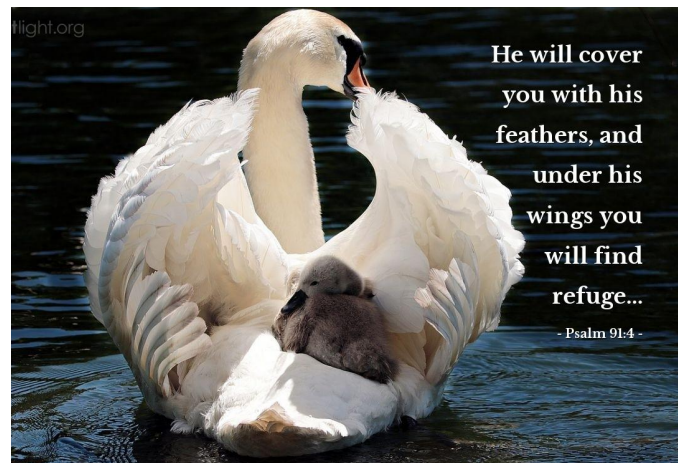

Greeting Families and Supporters,

This Friday is the end of the first quarter of the 2023 - 2024 school year. With that being said, I believe that every student can learn and be successful if provided the right support and opportunities. Our teachers and staff are committed to providing all students with an appropriate educational experience in a respectful environment that fosters learning and growth. If your child is struggling, please don't hesitate to reach out to the teacher(s) for additional help. The Lord says in 2 Chronicles 15:7 that we should be strong and do not give up for your work will be rewarded. As students are learning and studying everyday, I pray that the Lord gives each one of them the ability to persevere and be successful!

Blessings, Mrs. Kosmerchock

VERSE FOR TODAY: Life is filled with many uncertainties. You never know when something unexpected is going to happen. You have no idea when the next disaster will strike. In a world filled with hate and terrorism, none of us has a clue when the next horrible atrocity will occur. So what do we do when we can't be sure of our circumstances? We take shelter under the wing of the One who is above all circumstances! We take assurance in our Father who has promised to bring us to himself no matter what may happen today ... in our world ... and to our bodies. Our lives are hidden with our Father because we've been joined to Christ (Colossians 3:1-4). He is our Refuge! His wings are our shelter!

He will cover
you with his
feathers, and
under his
wings you
will find
refuge...

- Psalm 91:4 -
