Volleyball Parents' Night

Greeting Families and Supporters,

It doesn't seem possible that the first quarter of the 2022 - 2023 school year ended on Friday. The students have worked hard completing assignments, participating in class, and forming new and old friendships throughout the first quarter. Parent/teacher conferences are tomorrow from 3:30 - 6:30p.m. Please stop in and meet with each of your child's teachers during that time. The teachers will be available throughout the night. It is through partnership that we can create an amazing, learning environment for each student. Thank you for being a part of our Wolf River family!

Blessings, Mrs. Kosmerchock

VERSE FOR TODAY: Rather than seeing this as a way to get our wish list granted, let's see it for what it really is—an invitation to seek a love relationship with God above all other things. In finding him, we will find our priorities properly aligned and our hearts tuned to know what is really valuable and what is not. Then we will see that what we have in him is our hearts greatest desire.
