Chapel Wednesdays

Greeting Families and Supporters,

We have been given the gift of salvation. Jesus covered us with his blood and made us white as snow. The message today in chapel was very powerful. As I looked out among our students my hope and prayer is that each student accepted this amazing gift from Jesus Christ. What a blessing to be in a place where we are able to hear the word of God. This morning one student asked me why we had chapel every week. My reply was simple, so that we are able to hear the Word of God and share fellowship with other Christians. What an amazing gift!
Blessings, Mrs. Kosmerchock

VERSE FOR TODAY: Hearts full of thanks—that's what makes for good singing! With Jesus as the source of our salvation and center of our future, how can we not sing! But singing is not just for us and God. God wants our songs to bless others. It is our ultimate spiritual talk.
