What a wonderful sight!

Greeting Families and Supporters,
This past weekend it was wonderful to see the halls and gym filled with shoppers and families at both of our events. Our school is so beautiful and to be able to share it with the community is such an amazing feeling. Christmas is truly a special season! Seeing the smiles and laughter throughout the days and the feeling of joy in the air made the weekend magical. My prayer for each of you is that you continue to share the joy of the season each day, taking time to remember the reason for the season - Jesus!
Blessings, Mrs. Kosmerchok

In him was life, and that life was the light of men. The light shines in the darkness, but the darkness has not overcome it.

- John 1:4-5 -

VERSE FOR TODAY: Jesus provides life that brings us light. His life provides us with genuine, lasting, and inextinguishable light. Jesus brings us life that gives us light that Satan's darkness cannot steal away. God sent Jesus to shine into our darkness, and all of Satan's forces and all of Satan's demonic angels cannot put this deepest darkness together again because Jesus' light shines! Hallelujah!

The concert on Monday by Jennie Williamson of Arison had the Wolf River students jamming to the exciting Christian music. It was awesome to reconnect with Jennie and Brian, two amazing Christian individuals that I have had the pleasure of knowing for over 15 years. What a blessing it was to be able to share with the Wolf River families, the four Lutheran elementary schools, and the Shawano community because of the grant made possible by the NWD of the LCMS!
