## Wolf River Lutheran's Choir

Greetings Alumni of WRLHS,

It doesn't seem possible that I am at the mid point of my second year at Wolf River Lutheran High School. I am thankful for the supporters and families that help continue the mission of the school. If you visit the school during sporting or other events, I would love to meet you. I believe that our alumni is vital to the growth of the school. Together we can make great things happen. As principal, I honored to be part of such an amazing school. Our mission is to prepare Christian leaders. In an ever-changing world, it is vital that we continue to reach out to young people and help them grow academically and spiritually. If you would like to help at the school, don't hesitate to reach out. Our alumni is part of our specialness.

Blessings, Mrs. Kosmerchock (Mrs. K.) Principal

### 2022 Volleyball Season

Volleyball this year was overall a huge learning experience for everyone. We grew as a team and improved every time we went onto the court. By the end of the season, it was very impressive to see the skill everyone has developed in the short amount of time we played. We all would like to thank the alumni for coming out and supporting us and our journey throughout this season and hope they continue to support us in the future.

### Alumni Committee Forming

The school would like to form an Alumni committee to meet throughout the next 2 years to start planning an alumni event for the summer of 2024 to celebrate the 20 year anniversary of the school's existence. It can be a reunion of sorts, or whatever the committee decides upon. It will be the 17th year since the first graduating class as well. If you are interested in being part of this committee or have ideas, please contact Mrs. Kosmerchock at 715-745-2400.

## Toys for Tots donation

The students and staff continue to give back to the Shawano community. This year they collected toys for the Toys for Tots campaign.
