## God's beauty! Sunrise at Wolf River.

Greeting Families and Supporters,

I am excited to host a community event this Sunday here at Wolf River Lutheran High School. This event is being sponsored by a North Wisconsin Mission Grant that I was able to apply for this summer. As a Lutheran school our goal is to bring Jesus to those in the surrounding areas. My hope for this Christmas event is to give families - parents and children - the opportunity to take a moment to share time celebrating this joyous season! The committee

has been working hard planning activities for the children. Please tell your friends and family members to come to the school and enjoy holiday fun with us starting at 1:30 p.m.

Blessings, Mrs. Kosmerchock

**VERSE FOR TODAY:** For followers of Jesus, there is no playing hide and seek with the world. Having been rescued from darkness, we must let our light shine. This isn't a suggestion but the command of our Lord and Savior, Christ Jesus! Letting our lights shine sometimes means that others see God's light reflected in us and learn to glorify God through us. At other times, however, we stand out in a world of darkness and become targets because of our faith. Even under attack, however, we can be a beacon of hope for those searching for a way out of their darkness. Either way, there is no place for us to hide. We are Jesus' light to a world of darkness; we must shine!
