## Wolf River Lutheran's Boys Basketball Team

Greetings Alumni of WRLHS,

Reflecting on the impact of Wolf River Lutheran High School over its eighteen years of existence, I've been drawn to listen to Miranda Lambert's song, The House that Built Me. The song is the tale of a woman who returns to her childhood home to recall memories held in each part of the house. The visit helps her to remember who she is. The lyrics, "If I could just come in, I swear I'll leave with nothing but a memory of the house that built me," sums up the need to go back in time now and again. As principal, I've had the pleasure of meeting many alumni who return to see the school. Proudly, I share the improvements made to their high school. It's the same school, but not the same old school. In turn, the alumni share stories of their time at the school - no matter where they attended!

From its inception in 2004, Wolf River has strived to form students in faith and knowledge. What I know of the early years of WRLHS is mainly gleaned from alumni and supporters. The central theme of the stories is being devoted to God, family, and service. Many alumni continue building a better world for those around them impacting their respective communities. I have been blessed with the knowledge that many still value Christian education. May our students, like our alumni, continue to grow in integrity, faith, charity, and service! Blessings, Mrs. Kosmerchock (Mrs. K.) Principal

Shoutout to Coach Collin Wichman for all of his hard work coaching our boys this season!

Thank you so much Collin and Greg!

### National Lutheran Schools Week

Students and staff enjoyed multiple dress up days and fun activities during National Lutheran Schools Week. The students had a friendly competition of bowling at Lakeshore Lanes. Students and staff enjoyed an enormous amount of pizza, soda, and fun!

**Mr. Berkesch's recent wood shop class project was making cutting boards!**

### Alumni Committee Forming

The school would like to form an Alumni committee to meet throughout the next 2 years to start planning an alumni event for the summer of 2024 to celebrate the 20 year Anniversary of the school's existence. It can be a reunion of sorts, or what might the committee decides upon. It will be the 17th year since the first graduating class as well. If you are interested in being a part of this committee or have ideas to share, please contact Mrs. Kosmerchock at 715-745-2400.

## Boys Basketball

The boys' team continued to work hard as a team throughout the entire season and they fought until the end of each and every game.

### School Improvements

**WE HAVE EXCITING NEWS TO SHARE!!**

### The Bleacher Project is Complete!

The school recently had brand new 15 row bleachers installed and they are amazing! What a blessing to have these new bleachers to fill with supporters, alumni, staff, students, family and visitors!! Pastor Paholke blessed the bleachers at one of the boys recent basketball games. If you're in the area, stop in, say hi, and checkout the new bleachers!
