WRLHS Hot Lunch Guidelines

1. If you are unable to serve lunch, provide the meal prepared and call a substitute to serve. It is required if you cannot make your lunch date to get a replacement for yourself. Substitutes could be another parent, grandparent, or person from the list below.
2. Each group is responsible for the lunch.
3. Each person in the group is asked to provide the meal so one person is not purchasing each time.
4. A beverage is not included in the meal.
5. Plates, napkins, and cups will be provided.
6. Groups are asked to clean up after lunch.
