

I CAN ONLY

Imagine

2023 - 2024 Annual Campaign

Wolf River Lutheran High School

Greetings Friends of Wolf River Lutheran High School,

First of all, we want to say 'Thank you' for all your support. This school doesn't exist without You! So from the bottom of our hearts - thank you! Now, for our 2023 - 2024 campaign.

"I Can Only Imagine" what it will be like to pay off the mortgage on our beautiful school. What a feeling that will be. Our focus this year is just that, paying off the mortgage! 100% debt reduction, that's right, 100%! Currently we owe \$176,000 on our beautiful God given school. Our goal is to pay it off with this campaign. You are thinking, 'What a hefty goal!', but we know that with God all things are possible.

Will you help us become mortgage free while continuing to be the mission God intended us to be? Any amount you give will definitely help us. We will pay off the principal amount as we receive your money. (Well, I guess God's money.) Let's pull together and show with God's help what we are capable of.

Are you thinking of making an investment that's sure to make a difference in a child's life? Here is your chance to change the life of our youth and help them grow as young Christian men and women. How do you say no to that? More than ever we need Christian high school education. Our youth need us to step up and show them the way.

Help by being part of "I Can Only Imagine" campaign. Let's make this happen. I look forward to the mortgage burning ceremony. By the way, you're invited. YOU help make it happen!

Do you need to make a year-end donation for tax purposes? Or are you wondering where to invest your money to make a difference? Wolf River Lutheran High School is here!

If you know someone who would like to help us meet our goal, let me know, and I will reach out to them. Together we can do anything!

God's blessing and love to each one of you. Be the one to make a difference. It takes each one of us to achieve this goal. I CAN ONLY IMAGINE, can you imagine what we will all feel like if we make this happen? I can't wait to see!
