Timber Rattlers' Registration Drawing - Get registered by March 23rd for a chance win!

Greeting Families,

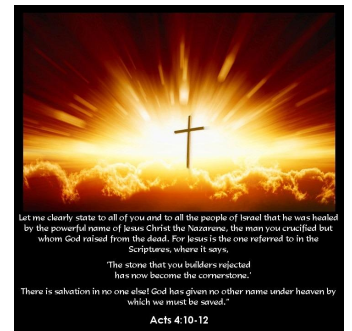

As your principal it is exciting when a family in Racine, Wisconsin reached out about our school as they are moving to Shawano at the end of this school year and want to continue attending a Lutheran school. The family saw our new and improved website and were impressed with the school. They have now enrolled and look forward to touring our school later this spring. If you have any family or friends that would like to tour our school, I would be happy to share the school with them.

This weekend Mr. Bierbaum, his wife Pam, and myself are blessed to attend a 'free' renewal weekend for called workers in our district. I am looking forward to spending time in the Word, and sharing with other called workers. This will be a time of reflection as we rejuvenate and refresh!

Make this week great!!! Blessings, Mrs. Kosmerchok
