## A MOMENT WITH OUR PRINCIPAL

“ This past year has been a blend of the unexpected and the familiar, marked by a strong sense of purpose and belonging. Though taking on a new role in September came as a surprise, the transition felt natural, grounded in the shared mission of Lutheran education. A key highlight continues to unfold— supporting the graduating class and guiding them toward what's next. Along the way, the untapped potential at Wolf River has become increasingly evident. This year has also reinforced the value of perseverance, doing our best, and keeping Christ at the center of all we do. ”
