Prom 2024 King Elijah Kaiser and Queen Sophia Bouwma!

Dear Parents, Guardians, and Supporters, What a gracious God we have who will listen to our worries and fears without ever growing tired of hearing them. His love for us is beyond our understanding that we cannot imagine it! His patience for us is something I continue to be amazed by. He is always ready to listen and never leaves or turns His back on us. If the answer is slow in coming (according to *our standards*), it is always right on time in God's universe. As spring arrives more each day, I am amazed at God's creation as it comes to life. I, too, need to be made new by God, knowing that in Him, I have a new life in Christ each day! This weekend, I challenge you to take a walk or sit outside and look at the new growth around you. Our Lord is amazing! He has made our world beautiful! Have a wonderful week in the Lord! Mrs. Kosmerchock

VERSE FOR TODAY: "O be careful little ears what you hear ... for the Father up above is looking down in love, so be careful little ears what you hear." Sometimes, our children's songs say things in the easiest ways to understand. God doesn't want just to be heard aloud; he wants his Word to enter our systems and change our lives. We must carefully filter out things we don't need to hear and focus more intentionally on what we do need to hear! The more we receive the gift of God's words and apply them, the more they will change us and bless us.

FINANCIAL AID ASSISTANCE: This is a reminder to families that financial aid needs to be applied for every year through our FACTS management program. The link is <https://online.factsmgmt.com/aid>. Please complete the application before the last school day (May 16, 2024). You do not need to apply for financial assistance if you are a Wisconsin Parental Choice family. It would be beneficial to all other families to apply for assistance. If you have any questions, please contact Mrs. K. at shelliekosmerchock@wolfriverlhs.org.

TRACK NEWS - Update from Coach Lehrke: The Chinese tell us this year is the Year of the Dragon. I respectfully disagree. I believe it's the Year of the Track Records. After a 5-year hiatus of updating our track record board, we will now have changes (at least) in the girls' 3200m, boys' 800m, boy's shot put, and boy's high jump. Violet continues to lower her new 3200m record, while this week at Wittenberg, Gunnar set a new boys 800m record. Also, at Wittenberg, Brad bested our previous shot put mark (set by our legendary thrower Dan Schmidt), and Luke tied our current boy's high jump record. In addition, what's wonderful to watch is the teamwork taking place and the support given to one another. Personal bests continue to be set by each athlete. **CONGRATULATIONS EAGLES!!**

The next meet is Monday, May 6th, at 4:00 p.m. at Rosholt High School. Come cheer on the Eagles!
