Farewell Seniors! May the Lord Continue to Bless You All

Greeting Families,

The time has arrived that graduation is only two days from today.

It doesn't seem possible. We had our awards ceremony on Monday night and it was amazing to see all the students and families filled with excitement. This has truly been a special year for me. I am thankful that I was able to be a part of the seniors final year of high school. They have taught me so much! I have enjoyed my morning study hall time with the seniors, and listening to each one discuss their future plans. I am impressed with the faith that each student has shown me this year. Wolf River is truly a special place, and being part of this family has made my first year as principal simply amazing! I will be sending out information for next year the end of June. Have a wonderful summer! Mrs. Kosmerchock

VERSE FOR TODAY: God's plan to save us is incredible. His blueprints for the creation of our universe are beyond our imagining. He is so rich in wisdom and knowledge. What else can we do but go to him and ask him to open our minds to his work and his will in our lives.
