Introducing Beth Brendemuehl - Wolf River's New Administrative Assistant

Hello,

I'd like to introduce myself. My name is Beth Brendemuehl, Wolf River Lutheran High School's new Administrative Assistant. Little bit about myself, I am married to my husband of 14 years, Lee. We have two children Rylee (12) and Adela (10), both go to school at St. Martin Lutheran School. In my free time I love to volunteer, garden, ride bike, hike, go camping, watch any sporting event our children might be in that season and be active in our church youth group. I have many years of experience as an Administrative Assistant and I am very excited to meet each and everyone of you! God's Blessings, Mrs. Brendemuehl

Greeting Families and Supporters,

Throughout my first year at Wolf River I kept hearing from students, staff, families and supporters that we are a family. That was never more prevalent over the past two weeks as numerous volunteers worked many hours to prepare for our rummage sale. According to scripture, it is right to give our time and/or money when we have acquired success in life and are able to do so. 1 John 3:18 says, "Dear children, let us not love with words or speech but with actions and in truth." Our volunteers go above and beyond with their actions. I am so thankful for each and every one of our volunteers that continue to help Wolf River raise funds to continue its mission to prepare Christian Leaders today! We would not be the awesome place we are without you, our volunteers - from working in the office, setting up and working at the rummage sale, handling the Red Barn, and so much more. Thank you! You help me accomplish all I need to do every day! You are appreciated! Blessings, Mrs. Kosmerchock
