ART CLUB - Art club is a great opportunity for those who have creativity & would like an opportunity to use that creativity with a little more freedom. Students who join art club are encouraged to come every **Monday starting September 14, from 3:30-5pm**. We will do some group projects together (including learning how to use a sublimation machine to make tshirts!), but mostly you will enjoy permission to use the school art supplies to spend some of your creative energy on projects that you WANT to do! We sometimes have pizza, we always play music, and best of all...those who participate in art club regularly are eligible to come on the art field trip in the spring! As we are made in God's image, we are blessed with a measure of His creativity!
