## Welcome Back Students!

Greeting Families and Supporters,

Today marks the start of the 18th school year for Wolf River Lutheran High School! 33 students walked through the doors and into God's school. What an amazing experience for myself and the teachers and staff! Students were filled with excitement and anticipation for the upcoming school year. Last spring we graduated 11 seniors, and this year we are blessed with 11 freshman, and 6 transfer students. This is exciting news for Wolf River! The Lord is good all the time! I am looking forward to watching each student learn and grow academically and spiritually! What a true blessing it is to serve at Wolf River Lutheran High School! Blessings, Mrs. Kosmerchok

**VERSE FOR TODAY:** We live in a world with skewed values, false promises and fleeting fame. What can we boast in other than the steadfastness of the Lord's love, the incredible riches of the Lord's grace, the incomparable supply of the Lord's blessings, the sweetness of the Lord's people, the mercy of the Lord's plan for our salvation, the promise of the Lord's tomorrow, the.....? What other meaningful boast is there than the Lord and his eternal grace?
