## Morning Devotions as a Whole School

Greeting Families and Supporters,

This week we are in our first full week of school. It doesn't seem possible that summer is over, and school has begun. For me as your principal, I am excited to continue to share Wolf River with our community. Each month we will be changing our commercial on WTCH radio station for the school. Our goal is to continue to grow our school. If you have any friends or family that have an interest in a school that teaches a Biblical worldview curriculum we are the school for them. As we continue teaching and leading students everyday, we are blessed to be able to be a part of this amazing family. I love watching the students enter the doors each morning excited to be part of this awesome school. If you have any concerns or questions, please feel free to contact me via email or by phone 715-745-2400. Together we can make great things happen!

Blessings, Mrs. Kosmerchock

**VERSE FOR TODAY:** I have always loved music. To this day, songs help unlock the part of me that is most yielded to God. It helps me declare my love for him and my praise to him. But as the psalmist says, his song is with me at night, especially on those nights when sleep is hard to come by. Even when I can't remember what I dreamed in the night, I often awaken to a praise song that had been sung over me, with me, and by me in my sleep — *"at night his song is with me — a prayer to the God of my life ... the Lord [who] directs his love"* to me!

By day the LORD directs his love,  
at night his song is with me—  
a prayer to the God of my life.
