Students fly the new flag!

Greeting Families and Supporters,

As I drove to school this week from DePere, where we now reside, I was amazed at the changing colors on the trees. I look forward to seeing the glory of our Lord through the changing colors and brilliance in the multitude of colors. In moving, my commute went from 22 minutes to 40 minutes, but through this extra time I am able to spend time listening to the Word, speaking to my Lord, and thanking God for his beautiful creation, my family and friends, and my Call to Wolf River. I especially enjoy being in my vehicle at 7 am when they do an ARK - an act of random kindness - every morning. Yesterday the ARK was to text three friends good morning. I texted three friends I hadn't spoken to in a while and the response was a true blessing! As you drive to school, work, or throughout your daily day, take a moment to look around and admire God's beautiful creation! He is truly good!

Blessings, Mrs. Kosmerchock

MEET AT THE POLE - Wednesday, September 27, 2023 at 7:45 a.m. **EVERYONE IS WELCOME!**

VERSE FOR TODAY: In an age where respect is little known and even less practiced, showing honor for those who are older is often overlooked. Yet in this scripture, by the LORD's own word, showing respect for the elderly ranks right up there with reverencing God. But then we shouldn't be surprised since God made honoring parents the very first commandment directed at our relationship with others ([Exodus 20:12-17](#)). (The first four commandments were directed at our relationship with him — [Exodus 20:1-11](#)). Let's be distinctive in contrast to most of the world: let's honor, respect, and care for those who are older among us!

STUDENT APPOINTMENTS - All parents and guardians **MUST** notify the office staff **24 hours BEFORE** a scheduled appointment. **The student will then receive a pre-arranged slip to have teachers initial.** Reminder, it is the students responsibility to have all teachers fill out the orange slip and return the slip to the office before it can be documented in the computer. It is vital that everyone follows this so that the office can keep track of students and where they are throughout the day. Thank you for your cooperation in this matter.

Please remember to call the school office before 8:00 a.m. if your child is sick or will be late to school. Outside of school hours please leave a detailed message on our answering machine. It is the student's responsibility to make up missing assignments. Thank you!
