Packer Game Fun!

Greeting Families and Supporters,

This past Sunday I experienced Lambeau Field at it's finest. Yes, it was as a worker, but seeing and feeling the excitement in the people coming to the game - whether it be a Packer or a Bear fan - the excitement was felt all around. Hearing the roaring crowd when the Packers scored or did a great play was amazing! I have never had the opportunity to attend a Packer game, but I realized Sunday why everyone feels that Lambeau is such a special place. I am so thankful for all my workers that is making it possible for us to participate in this fundraiser for the school. Shining Jesus' light to those at Lambeau is a great way for us to share His love with others! If you are interested in being part of the Lambeau team, please contact me. We would love to have you work at the games! May you have a wonderful week in the Lord! Blessings, Mrs. Kosmerchock

VERSE FOR TODAY: "The prayers go up and the blessings come down...." The words to this children's song are only half right, because God sends his blessings many times even when we don't pray. But just as we love the special smell that comes with a drought breaking rain, God loves the aroma of his children's joy, especially when he is the source of its delight!

YOUTH APPRENTICESHIP OPTIONS: Ben Krull, the new Youth Apprenticeship Director, will be spending time at Wolf River working with students to try to increase involvement in the program. Students are able to receive high school credit by participating in the program. It is possible that the jobs the students already have could be part of the program. There is no expense to the families. The students are able to leave school early for work and receive credit for working. Updates will be posted so families have the necessary information.

HOT LUNCH SCHEDULE - Group 3 will be serving on September 28, 2022. Thank you to all the parents that have graciously volunteered your time to serve lunch and for donating food items! *Friendly reminder* If you have signed up to help with lunch and have now changed your mind, or are unable to help, please reach out to Mrs. Brendemuehl at 715-745-2400.

DRESS CODE REMINDER: (See page 18 in the student/parent handbook)

Modesty and not wearing things to draw undue attention to one's self are guidelines that Christians should abide by all the time. We expect WRLHS students to keep this in mind as they come to evening

or weekend events. If a student attends a WRLHS event dressed immodestly or in a fashion that simply expresses values that are not in harmony with the Christian values of our school, he or she will be asked to change or to leave. **Crop tops are NOT allowed as a shirt option!**

ATTENDANCE POLICY REMINDER: (See page 7 in the student/parent handbook)

If your child has a dental or doctor appointment written verification is required. Please ask your provider for a note from their office. Written verification of excused absences, when applicable, is expected within three school days of the absence(s) or the student risks having the absence(s) declared unexcused by the administration. **When the school is unable to reach a parent or guardian when a child is absent, and the school is not notified, the absence is considered unexcused.** The parent/student handbook requests that parents or guardians contact the office **by 8:00 a.m. on the day of the absence.** Parents, please remember to call your student in for illness or absence. It is very difficult to reach parents when voicemails are not set up. This would alleviate attendance problems if the school was contacted for a student's absence. Together we can resolve attendance concerns by keeping communication open.

K-CUP DONATIONS: Students have been able to use the keurig machine in the office for coffee and hot chocolate if it was available. Currently, we are out of keurig cups. If you are able to make a donation to the school, the students and staff would be appreciative. Thank you for this consideration.
