Wolf River Lutheran High School Student Automobile Registration Form

All students driving cars or other vehicles to WRLHS **MUST REGISTER** them with the principal or office staff **BEFORE** bringing them to school. We recognize that it is a necessity to have students driving themselves and their peers to school, but we also recognize that having a vehicle on school property is a privilege. We expect student drivers to abide by the following guidelines:

1. Drive slowly - speeds on campus are not to exceed 15 miles per hour.
2. Any evidence of reckless driving, failure to comply with posted traffic signs, violation of school rules, failure to comply with school attendance policies may result in the loss of the parking privilege.
3. Keep your vehicle in the parking lot.
4. Vehicles are to be locked throughout the school day, no one is to be in the parking lot without permission. Ask the teachers, and then office personnel for permission before visiting your vehicle during the school day.
5. Failure to follow rules will result in the loss of parking privileges.
6. Do not spin tires or draw attention as you drive. This includes keeping car stereos to a low volume.
7. Use common sense and be considerate of other drivers.
8. Any vehicle parked on school grounds is subject to search at any time, for any reason, by school officials without prior notice or consent. There is no expectation of privacy for vehicles parked on campus.
9. WRLHS is not responsible for any damage done to vehicles parked on school property at any time.

Violations of these rules will result in parent notification and consequences as listed in our handbook (p.31). A violation could also result in the revoking of driving privileges. Drivers are legally responsible for their actions. Any vehicle on WRLHS property is subject to search.

I agree to follow and support the conditions listed above
