New Quarterly Newsletter for Wolf River

Newsletters are a great way to update everyone about the latest happenings at the school, with alumni, and families. It's material that is beneficial for anyone who reads it. From the student body to faculty members and to people outside the school community, information in a newsletter brings the school to life.

Wolf River has created a newsletter as a source for relevant information, updates, entertainment, and alumni news. We need help from our school families, our Alumni, our churches, and those that want to submit articles for our new Silver Eagle News. It will be printed four times a year and sent to our alumni, churches, and school families. Please help us by submitting information to the school at news@wolfriverlhs.org.

Wolf River received accreditation through the National Lutheran Schools Accreditation this summer.

James 'Jim' Rottier -
May 2019 Graduate

Silver Alumni Section (SAS)

James 'Jim' Rottier graduated Wolf River Lutheran High School in May 2019. He joined the United States Marine Corps in December 2019 and attended boot camp at the Marine Recruit Corps Depot in San Diego, CA. Following graduation from boot camp, Jim continued his training at Pensacola, FL to be a Ground Support Equipment Technician.

His interests include welding, watching sprint car racing, hunting and fishing, and being out in the woods.

Volleyball Happens at Wolf River by Desiree Pyatskowitz

This year, Wolf River only had just enough for a full team. Halfway through the season, the team gained another girl, Nohelia. The Silver Eagles missed many games this year due to COVID but for the most part, the games they did play, they won. This year we placed second in the WCA Tournament, and one of the girls, Desiree Pyatskowitz, was recognized as one of the WCA Volleyball All-Tournament players. She received a cup and a medal as part of the prize. The Silver Eagles scored the second place trophy. This year we also had many challenges, COVID, other illnesses, and minor injuries. This year our team had no drama among any of the girls and we all pulled together to support one another and help each other out, whether it be in practices, games, school, or our lives outside of school. This team has overcome many challenges together and it came out stronger and better than ever. The Silver Eagles captains were the beautiful seniors, Desiree Pyatskowitz, Jessica Giese, and Emma Kaiser. Our lovely setter was Jessica Giese, who never failed to be the loudest and almost always got the second hit. Our wonderful middles that basically turned into outside hitters were Desiree Pyatskowitz and Emma Kaiser, who had many great spikes, blocks, and tips. Jaida Hill, a junior, and the team's easiest bruiser has put so many smiles on everyone's faces and has helped us win with her serving abilities and spikes that have improved since last year. Corina Ramierez, still fresh, improved so much this year and the team couldn't be more proud of her serves and some of the great saves she has had. Shayla Kroenke and Nohelia Cuenca, both freshmen, have helped this team tremendously with their skills and kind words. Even though this season was short and sweet, all these girls have the heart for this sport and have had a tremendous season.

Fundraiser Planned

A Fry Bread Taco Fundraiser is scheduled for **Nov 14th from 10:30 to 1:30**. The cost is \$7.00 and will include a drink and a cookie. The yummy meal will be available for dine-in and carry-out. A bake sale will be also happening. All funds will go to the General fund of the school.

Wolf River Remembered with Fondness

Mitchell Behnke, a 2018 graduate, was a very inspirational person to others while at Wolf River. He was very nice to have around the school as he was always there for anyone that was having any troubles, or problems in their day according to the teachers and former students. Currently, he is attending college at NWTC in Green Bay for filming arts. When asked, Mitchell said, "The only thing that I know that I have is faith with God, it's the only thing that keeps me going."

School Improvement Underway

Wolf River is under construction with the addition of a new shot put and discus area on the West side of the building. Future additions will be a long jump and triple jump pits. The Schmidt family is completing the work. Donations will put the finishing touches on the project.

Seniors celebrate the new additions: Hunter Genke, Dylan Buelow, Ben Behnke, & Desiree Pyatskowitz.
