What's Happening at Wolf River

The school has a new website at the same web address. The website includes an alumni page found under the About Us tab. Check it out! It allows you to let the school know where you are, and what you are doing.

The freshman class is studying Horticulture with Mr. Beversdorf. They are planting seeds, learning how to garden, and working in the greenhouse. It is fun to watch the students get excited about learning.

The school purchased pickleball for the students to play. Mr. Kramer and his PE classes enjoy playing the game. It gets the students moving in a fun way. It has become one of their favorite activities in class.

The seniors are preparing for graduation on May 20th. They have been completing their courses and making plans for their future. It is wonderful to watch them grow in their faith as they prepare for the next phase of their life. I am excited to be part of their journey.

Blessings,

Mrs. Kosmerchok (Mrs. K.)

Principal

WRLHS Friday Fish Fry's
April 1 & 15 from 4 - 7 pm
Dine in or Carry Out Available

Basketball at Wolf River by WR Students

The Wolf River Lutheran boys basketball team had a great season this year. The team's record was 14 - 4, with the losses being very close. The majority of the team are new to the sport, making this an even more impressive season. There were four seniors on the team - Benjamin Behnke, McKai Davis, Jonah Klockziem, and Leo Schultz. Jack Behnke, Cashten Davis, Luke Hammon, Brad Kazynski, Eli Schultz, and Adam Smith were the team's sophomores, and Marshall Arvey, Ryan Dregler, and Eli Kaiser were the freshmen.

According to Coach Jill Davis, the team plays a "run-and-gun" style of play. A big part of the team's success is unity of the team. They pray before and after every game. The players strive to play together unselfishly and support each other no matter the outcome of the game.

The Derrick's family, missionaries, visited Wolf River for chapel in January! They were the school's 1st quarter chapel offering recipients!

"Have Hope in Jesus" Women's Retreat April 23, 2022 9:00 - 2:00 p.m.

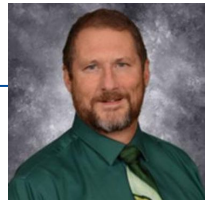

All women - high school age and older are invited to Wolf River to enjoy fellowship, song, & inspiration from Jennie Williamson, Christian speaker & recording artist. Lunch & snacks will be provided.

This is a free event sponsored by North WI District Mission Grant

Hope to see you here!

Wolf River Remembered with Fondness by Mr. Kramer

I will always have fond memories of my time at Wolf River LHS. My call here was God sent. He knew that I needed a change in my ministry, and He sent me to Wolf River. I remember my first experience at Wolf River teaching Literature for half a year and playing basketball with the students during organization time. Then the Lord placed me at Trinity in Green Bay. Finally, the Lord called me to Wolf River full time. It has been a joy to watch the students grow from frightened freshmen into confident seniors-to watch them develop their minds and ability to analyze the world around them. Each year that a student spends at Wolf River he or she grows not only in his or her knowledge of the world but also, and more importantly, in his or her knowledge of what God has done for all people.

A highlight of my time here is the relationships that I have developed in the supporting congregations through the WR choir singing at the association member churches. Visiting the churches allows me to share my love of singing and my love for the Lord with the choir students, their parents, and the congregations. My prayer for Wolf River is that God will allow it to grow and to always be filled with teachers who are dedicated to the Lord and to their students. *(Mr. Kramer is retiring at the end of this year.)*

Booster Club Makes Purchases

The Wolf River Booster Club purchased mats for the gym, and a pizza warmer for the concession area. This allows the school to have pizza from Domino's during games. They are working on raising money to have the gym floor resealed, a floor decal, and bleachers for the gym.
