

Welcome 11 New Alumni Members!

It was exciting to participate in my first high school graduation at Wolf River Lutheran High School. We were honored to have 11 graduates this year. As principal I was humbled as I looked over the crowd that attended the graduation. Wolf River is truly a family, and being part of graduation, watching the families and friends gather, and the excitement the students were filled with made the evening truly special.

As an alumni, each of you hold a special part of the history of Wolf River Lutheran High School. I continue to look forward to meeting you and receiving news about where the Lord has guided you.

Blessings,

Mrs. Kosmerchock (Mrs. K.) Principal
