2022 - 2023 Student Body

Greetings Alumni of WRLHS,

I am excited to begin my second year as principal of Wolf River. It doesn't seem possible that a year has passed already. I pray you all had a relaxing and recharging summer! As fall begins, this might be a perfect time to find that new Bible study to start, or find a few quiet minutes during the day to devote to God's word. Our Lord encourages us to stay and grow in his word, when we are able to do that we are reminded on a regular basis of the love He has for us and the salvation He wants for us through Jesus.

One of my goals is to continue to build and grow alumni relations with the school. I truly believe that the alumni are vital to the growth of Wolf River. I would love to meet each of you, hear your story, and see where the Lord has led you. If you are in the area, stop in and check out the school! See what is happening! It is only through the young people that attend our wonderful school that we are able to continue the Lord's work!

Blessings,

Mrs. Kosmerchock (Mrs. K.) Principal

Mrs. Sarah Reichle (Science & Art) and Miss Lydia Rusch (Literature, English, Tech & Volleyball Coach) our two newest teachers.

Silver Alumni Section (SAS)

Laura Ortiz (2020) is the assistant volleyball coach at Wolf River Lutheran High School.

A Word from the Student Council President

Hello Alumni,

I am the current President of the Student Council at Wolf River and I look forward to meeting you. I am thrilled to be the President and would really like to get the alumni involved in the school.

As a Student Council we would love for you all to come to our fun activities that we plan at the school like homecoming next week. Please consider visiting sporting events at the school as well. When you come to school events don't be shy and say hello to myself or my fellow students. We would love to see you around Wolf River!

Alumni Committee Forming

The school would like to form an Alumni committee to meet throughout the next 2 years to start planning an alumni event for the summer of 2024 to celebrate the 20 year anniversary of the school's existence. It can be a reunion of sorts, or whatever the committee decides upon. It will be the 17th year since the first graduating class as well. If you are interested in being part of this committee or have ideas, please contact Mrs. Kosmerchock at 715-745-2400.

Wolf River Lutheran High School began its 18th school year with 34 students on August 17th. There were a few changes at the school as two teachers retired and two new teachers joined our staff. School Improvements

The outside appearance of the school was updated when the parking lot was resealed and new lines were painted. It gave the school a refreshed look.

Bleacher Project Continues

If you would like to donate to the bleacher project, or know of someone willing to donate, please contact the school office. It would be amazing to have the project completed for our basketball season! Cost is \$112,000 for the new bleachers! Thank you for this consideration.
