Endure: Hebrews 12:1-3

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God. Consider him who endured from sinners such hostility against himself, so that you may not grow weary or fainthearted.

Art Class: This year is our second annual participation in a special painting project called the Memory Project. For this project, the students in Painting class were paired up with a young child from Honduras in order to paint their portrait, which will be brought to these children by Ben Schumaker, who is the founder of the Memory Project. The children who receive a portrait also have an inspirational message on the back in a traced outline of a handprint from their painter. The goal is to connect these children, who live in a severely impoverished part of the world, with other people who care enough to do this for them. The children in Honduras will get to keep the portrait. Senora Castro was a wonderful help to us in translating their messages for the children into their native Spanish. It was an honor and a blessing to be a part of this project again this year! Great job students!!
