Or any Garden Club Member

The Edgecliff Village Garden Club wants to stimulate the knowledge and love of gardening through education, fellowship and fun! Garden Club meetings always begin with refreshments, followed by an informative program and a brief business meeting, usually concluding by 11:30 AM.

The Garden Club sponsors several activities during the year: the Cake Walk at the annual Halloween Carnival, a Christmas luncheon and a Spring Installation luncheon. Membership is open to residents of Edgecliff Village and surrounding communities. Visitors are always welcome whether you are a novice or Master Gardener. Come join us and help us keep Edgecliff Village beautiful!
