Chapter 4: Business Regulations, Sections 4.03.001 – 4.03.033 of the Edgecliff Village Code of Ordinances sets out the definition and requirements for holding a garage sale. The violation of any provision could result in the issuance of a citation. The most important provisions are:

Generally a garage sale is defined as the offering of used merchandise for sale, exchange or barter to the general public in a garage or residence or upon a driveway, patio or yard. **AT LEAST 95% OF THE MERCHANDISE MUST HAVE BEEN PREVIOUSLY OWNED AND USED BY THE PERSON(S) HOLDING THE SALE** and shall not include any items bought, exchanged or bartered for resale. Estate and household auctions are considered garage sales.

Two (2) garage sales may be held in any calendar year and may last up to three (3) consecutive calendar days. No refunds of a garage sale permit fee shall be permitted for any reason.

Signs not exceeding four (4) square feet may be posted following issuance of the permit. **NO SIGNS SHALL BE PERMITTED ON UTILITY POLES OR PUBLIC PROPERTY INCLUDING STREET RIGHT-OF-WAYS. NO SIGNS ARE PERMITTED ON CROWLEY ROAD.** It is a violation of State Law (Chapters 392 and 393, Transportation Code) to place signs in the right-of-way of a Highway. Signs may be posted a maximum of two (2) days prior to the garage sale and shall be removed within twenty-four (24) hours following the last day of the sale. The City will remove any illegally placed signs and throw them away without notice to the owner. With permission from the owner, signs may be placed on private property.

This permit may be revoked if, in the opinion of the Code Enforcement Officer or a Peace Officer, the safety and welfare of the general public would be jeopardized if the sale is allowed to continue
