SCOUT PRODUCTION

AS A MATTER OF INTEREST, FOLLOWING IS THE BEST INFORMATION WE HAVE ON SCOUT VEHICLE PRODUCTION FROM 1973 THROUGH 1980. OUR RESEARCH HAS NOT YET TURNED UP ANY INFORMATION ON PRODUCTION PRIOR TO 1973.

YOU CAN DETERMINE THE PRODUCTION SEQUENCE NUMBER OF YOUR SCOUT BY SUBTRACTING 10,000 FROM THE LAST FIVE DIGITS OF YOUR VEHICLE IDENTIFICATION NUMBER. THE FIRST SCOUT OF EACH MODEL YEAR STARTED AT 10,001 AS THE LAST FIVE OF THE VIN. FOR EXAMPLE: 1977 SCOUT, VIN G6D47220 WAS THE 37,220TH VEHICLE PRODUCED THAT YEAR. THERE IS NO IDENTIFICATION OF THE MODEL IN THE VIN (TRAVELER, TERRA, ETC.)

THERE WERE APPROXIMATELY 9,000 TOTAL SSII'S PRODUCED IN 1977, 78 AND 79. 1977 WAS THE HIGHEST VOLUME YEAR, AND 79 THE LOWEST. THERE ARE RUMORS THAT 3 OR 4 1980 SSII'S WERE PRODUCED, BUT WE HAVE NOT BEEN ABLE TO CONFIRM THIS.

YEAR	BUILT	CODE	YEAR	BUILT	CODE
1973	34,117	C6D	1977	39,884	G6D
1974	34,865	D6D	1978	37,195	H6D
1975	31,866	E6D	1979	44,434	J6D
1976	37,244	F6D	1980	13,106	K6D

SCOUT 80 AND 800 PARTS

EVEN THOUGH YOU SEE VERY LITTLE IN THIS CATALOG ON PARTS FOR EARLY SCOUTS, WE DO HAVE SOME INVENTORY, BOTH NEW AND USED. LET US KNOW WHAT YOU NEED - WE MAY HAVE IT OR WE WILL TRY TO HELP YOU FIND IT.

A NOTE ON USED PARTS

WE ARE FINDING IT INCREASINGLY DIFFICULT TO MAINTAIN AN INVENTORY OF USED PARTS. WE ARE MORE FREQUENTLY OUT OF STOCK ON MANY OF THE ITEMS THAN WE WOULD LIKE TO BE. WHEN THIS IS THE CASE ON AN ITEM YOU NEED, WE WILL TRY TO REFER YOU TO ANOTHER SUPPLIER WE THINK MAY HAVE THE PART.

WARRANTY

We warranty all new products we sell to the original consumer to be free from defects in material and workmanship, for six (6) months from date of purchase. Due to conditions beyond our control, all plated items have plating excluded from this warranty. We warranty all used parts for 30 days from date of purchase to be as described regarding form, fit, function and condition. This warranty does not replace any manufacturer's warranty, but does replace all other warranties, expressed or implied, and hereby releases GIDDUM' UP SCOUT from any further liabilities or obligations. Warranty is limited to replacement or repair of item sold by GIDDUM' UP SCOUT to original consumer. This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.

RETURN POLICY

With written authorization from us, if you are not satisfied for any reason with any item purchased from us, you may return that item, freight prepaid for a full merchandise replacement or refund.

STOCKING POLICY

We stock everything we advertise and strive to maintain a 95% fill rate from stock. We usually ship within 72 hours of receipt of order. Should we be out of stock on an item you order, we will notify you immediately in writing and let you know when we expect to be able to ship. We ship UPS collect unless you advise otherwise, or if size or weight preclude UPS shipment. Freight terms are FOB Colorado Springs, CO.

PAYMENT TERMS

You have the option of prepaying for merchandise or requesting that we ship C.O.D. to you, or paying by VISA or Mastercard.

SEE ORDER FORM FOR DETAILS

DAMAGED MERCHANDISE

All claims for receipt of damaged goods, open or concealed, should be directed to the freight handler.

- NOTE 1 Seals are no longer available for the traveler. However you can order 1-395310C2 and 1-395311C2 plus one extra of either piece and splice 18" of the extra piece into each side.
- NOTE 2 26111 and 26112 are quality aftermarket seals. Factory original seals are available at a higher price. Inquire.
- NOTE 3 For very early Scout 80 with sliding door windows, use 13 feet of 997128R1 instead of the numbers shown. Price is \$1.00 per foot.
- NOTE 4 Use 4 feet of 26111. Price is \$2.00 per foot.
- NOTE 5 Two weatherseals are available. Solid black is 4994671C1. Black with chrome trim lock is 499468C1. Order chrome trim lock separately - part number is 480203C1.
- NOTE 6 For very early Scout 80 with welded in bulkhead behind front seats, a different windshield weatherseal is required and is not available.

CONVERTIBLE TOPS

Scout II

Head for adventure with a Kayline convertible top on your Scout II... and enjoy some fun in the sun with the top lowered, or back and side panels rolled up. Stay safe and dry too, in weather-tight comfort when the rains fall. Choose from 12 colors.

ABOUT OUR USED PARTS

We have a growing inventory of used parts for Scouts. We have devised a grading system as follows:

GRADE 5 - Must be 98% as good as a new part-free of rust, dents, cracks, aging, etc. Paint condition is excluded from this grading.

GRADE 4 - Well above average, but may have a dent, some sign of wear, etc. Priced at 80% of Grade 5.

GRADE 3 - About what you would expect an average part of its age to be. Must still be acceptable as to form, fit, and function. Priced at 60% of Grade 5 part.

GRADES 2 AND 1 - We seldom keep these parts.

We are very tough on our grading. Any parts quoted as less than Grade 5 will have defects described in detail. You must be satisfied that the parts are at least as good as they were represented to be.

HEADERS
