

THANK YOU FOR JOINING ON THE GO CPR, LLC

WE ARE A NATIONAL TRAINING SITE

Becoming A CPR Instructor is Very Excited.

- ▶ How to Become an AHA Instructor (Must be at-least 18 Years old)
- ▶ Becoming an American Heart Association instructor is easy after consulting with an American Heart Association Training Center to find out whether the Training Center (TC) is accepting new instructors and the TCC's (Training Center Coordinator) preferred course delivery.
- ▶ The steps are simple – get started today!
- ▶ Be accepted by your local AHA TRAINING CENTER/SITE before enrolling in an Instructor Course and have a completed Instructor Candidate Application on file with that Training Center.
- ▶ Have current AHA provider status in the discipline for that Instructor Course and be proficient in all the skills of that discipline. Disciplines include BLS and Heartsaver.
- ▶ Successfully complete the discipline-specific classroom Instructor Course.
- ▶ Successfully be monitored teaching your first course within six months of completing the discipline-specific classroom Instructor Course. Training Center Coordinators can require additional monitoring.
- ▶ Once you become an Instructor, you will have access to the most current emergency cardiovascular care science, course updates, training resources and tools through the online AHA Instructor Network. You will also be able to post class dates and times to reach more students through our public website.

AMERICAN HEART VISION

- ▶ The American Heart Association invites you to share our vision: a world where no one dies from cardiac arrest.
- ▶ Every year, 475,000 people die from cardiac arrest in the United States. Big number. BIGGER OPPORTUNITY. With your help, we can bring that number down to ZERO. Join us today, starting with this video. <https://youtu.be/EC7HW7S2EzI> <<<CLICK LINK TO PLAY VIDEO

INSTRUCTOR ESSENTIALS

- ▶ Instructor Essentials Courses are designed to prepare instructor candidates to teach AHA Instructor-led and blended learning courses
- ▶ <https://shopcpr.heart.org/bls-instructor-essentials-online>
- ▶ This course must be completed prior to your Instructor training course. A certificate of completion must be emailed to us at Training@onthegocpr.net

Cost of your Instructor Course

- ▶ What does the instructor course cost?
- ▶ The cost of the instructor Training course cost \$450.00
- ▶ Includes the Monitoring of your first class

Where do I purchase supplies?

- ▶ You will need to purchase your supplies from www.worldpoint.com
- ▶ What does my Supplies Cost?
- ▶ What Supplies will I need to purchase?
- ▶ Do I have to bring my supplies to the instructor course?

Do I need to have the supplies in the instructor training course?

- ▶ You will not need to bring any supplies to the instructor training course unless otherwise stated by Training Site.
- ▶ On Average New Instructors will purchase this after they complete the Instructor training course.

INSTRUCTOR MONITORING

- ▶ Instructor Monitoring must be completed at your 1st class.

We ask Instructors to create a Youtube account and upload your 1st video to your account and share the link to us. Remember to set your video as Private, so NO one else can see your training video.

If we are available to Monitor your course in person, we will do so. We will let you know this at the time of your training course.

We look forward to seeing you at the class.

If you have any other questions, please email us at Training@onthegocpr.net and we will be happy to answer any other questions you might have.

Please complete this paperwork on our website and send back to us
