

**I'm Going To Get My
Hair Cut!**

Before I get my haircut, I can
have a head massage if I
want.

I remember that Mom or Dad
will be with me the whole time!

First, I get my hair washed in a special sink!

I get a special cape to wear
so that the cut hair falls
on to the floor.

I sit quietly while the
hairstylist cuts my hair.

The hairdresser will use a
comb, scissors, and a buzzer.
BZZZZZZZ

When they're done, the cape
comes off - whoosh! Time to
go!

I look so handsome!
