

I'm at the Playground!

Sometimes there are other
kids at the playground.

If I want to play with them, I
can ask them. “Hi, can I play
with you?”

If they say no, that's okay, I
can keep playing by myself!

Sometimes, I have to wait
my turn. I can wait!

I wait until the slide is all clear
and no one is in the way
before I go down.

Sometimes I see bugs like ladybugs or spiders at the playground.

I think they live there! I leave them alone and they leave me alone too. Hi bug!

I always watch where I am
going and look out for other
kids. Let's play!

I always check to see that I
can see my adult's eyes.
I see you!

If I get hungry or thirsty, I sit
on a bench or at a table until I
am finished. All done!

New kids might come to the playground and others may leave before me. It's always a surprise! I say 'hi!' when I see someone new.

I like to try new things at the
playground! I'm brave! I can
ask for help any time I need it.

I always keep my hands on my own body. If I feel angry, I go see my adult. I am safe!
