

**I'm Going to be
Safe!**

I put on my outside clothes.
Let's get ready!

I wait for Mom or Dad.
Let's go outside!

I always hold hands outside.
Let's stay safe!

I'm safe with Mom and Dad
just like I am with my teachers
at daycare.

Let's go to the park!
I look to Mom or Dad to make
sure I can see them.

Sometimes Mom and Dad
might be busy. I can wait
beside them.

When it's time to go in the car,
I stay beside Mom or Dad until
I am buckled in. Let's stay safe!

When it's time to get out of the
car, I wait for Mom or Dad.
Then let's hold hands!

Let's hold hands while we walk
home together.

When I get home I take off my
outside clothes. I had fun and I
was safe!
