Description

Your booking will schedule a Certified Technician, possessing either a Red Seal or TQ certification, for the purpose of conducting repairs and maintenance on your equipment. In the event that the task cannot be completed within the designated time frame or for the specified fee, you will be provided with a quotation for the completion of the repair. This quotation may be issued on the same day in certain instances; however, it may necessitate the procurement of additional parts. Should this occur, your approval will be required for the quoted amount, which will reflect the original charge of \$531.00 as a credit. Should you opt not to proceed with the repair, the original invoiced amount of \$531.00, plus applicable shop supplies and tax (\$628.32), will remain due and payable.
