To Whom It May Concern,

I highly recommend Lori Struss for the dance position at the Anne Arundel School System. As Executive Director of Creative Nomads, I have had the pleasure of working with Lori this past year. She is an exceptional, compassionate instructor who has developed real meaningful relationships with our students.

Qualities like promptness, effective communication and organization sometimes can go unnoticed but those are characteristics we appreciate, and Lori has them in spades.

I believe that Lori would be an asset to any team she joins, and she would be an asset to any children she has the opportunity to teach. If you have any further questions with regard to her qualifications, please do not hesitate to contact me.

Sincerely,

K. Daugherty
