Info & FAQs

- **What are the memberships?**

We are offering 3 membership tiers starting with Bronze at \$89, Silver at \$159, and Gold at \$299. Each membership has exclusive monthly benefits such as discounts starting at 10% off all regular services, and choosing treatments and/or products to receive on a monthly basis. Memberships with a higher value may include more options and luxury treatments.

- **How can I choose a membership and my monthly services and/or products?**

Coming soon will be a module added to the membership page on arlingtonlasersculpture.com. You will be able to select the membership and which category of exclusive services you would like. For example, you may pick either 1 Luxury Service or 3 Special & Basic Services to receive monthly for a GOLD membership. You will then choose which specific treatments you would like from the applicable category.

- **How does the membership billing work?**

Your membership will be automatically renewed on the 1st of every month. If you sign up after the renewal date and would like to start your treatments within the same month, you will be immediately charged for your first month. The prices mentioned and shown on the graphic organizer of our services exclusive to each membership will be what you are charged on the 1st of every month. For example, if you are a Bronze member, you will receive an \$89 bill monthly.

- **Is there a commitment for the memberships?**

The Bronze membership does not have a specific commitment time-frame. The Silver membership has a 6 month commitment, and the Gold membership includes a 12 month commitment. We require that you notify us at least one month prior if you would like to cancel your Bronze, Silver, or Gold membership.

MEMBERSHIP EXAMPLE

I am a Gold Member!

- I signed up on August 12, and I will be starting my membership in August - I immediately paid \$299.00, so my next billing will be on September 1. I plan to keep my membership for an additional 6 months to my 1 year commitment; I will be billed on the first of every month until then.
- I have looked over the graphic organizer of exclusive services to the Gold membership. Instead of ONE Luxury Service per month, I have chosen THREE Special & Basic Services to receive each month: 1 Accent Skin Tightening, 1 ILIPO Session, and 1 Eyebrow Waxing.
- For the duration of my membership, I will also get a 20% off discount for ALL REGULAR services! I plan to apply this discount to my regular priced laser hair removal appointments.
