

Colossians Large Group Study

Session #3

November 12, 2019 Colossians 2:20-3:17

1. Look at 2:20-23. Why do you think the author uses this phrase, "...but they are of no value in checking self-indulgence?" What does this mean for you?
2. Look at 3:1-4. What kinds of things/ideas would come from, "... setting our minds on things from above?"
3. Look at 3:5-11. How would you describe the differences between the "old" and the "new" self?
4. Look at 3:12-17. What do you think is the most important part of remembering these verses?
