## From the Senior Pastor

### Our yearly theme for 2020-2021

Our yearly theme for 2020-2021 is adapted from the book of Hebrews chapter twelve, verses one and two, “Persevering with the Great Cloud of Witnesses.” The writer of Hebrews begins the chapter with this declaration, “Therefore, since we are surrounded by so great a cloud of witnesses ...” The writer declares this reality/condition through which everything that follows is interpreted – wow! In the previous chapter, the writer lists all of the saints that have come before us in God: Abel, Noah, Abraham, Sarah, Isaac, Jacob, Esau, Moses, Gideon, Baruk, Samson, Samuel, and all the prophets ... and many more not even mentioned, that *surround us!* We are called to remember their struggles, their torture, their imprisonments, their steadfastness to faith as we are *surrounded* by them. With that reality/condition in mind, the writer goes on to say, “... let us lay aside every weight and the sin that clings so closely, and let us run *with perseverance* the race that is set before us.” If the chapter *stopped* at this point, we would be left to merely our own devices and strengths to run. But the writer continues, “... looking to Jesus who is both the *pioneer* and *perfecter* of our faith.”

As we live day to day in current struggles with COVID-19, along with all the other “weights” and “sins” of everyday life today, what an important word for us! We are never alone. We *are* surrounded by the great cloud of witnesses. We *are* called into a loving relationship with God in Christ Jesus, and now we *persevere* in running the race that is set before us, always looking to Christ Jesus the pioneer and perfecter of our faith!

### Small Group Night

**Join us for Small Group Night beginning on Tuesday, October 13<sup>th</sup> at 6:00 pm.** We will meet monthly from October through January (4 sessions). This fall we will studying 2 Corinthians together.

We will gather using Zoom for the large group session on **Tuesday nights from 6:00-7:00 pm.** Please read through the chapters ahead of time along with looking over the small group questions. When you register online through our website at [www.belcnet.net](http://www.belcnet.net) please provide the email you would like to use for receiving the Zoom invitation from Pastor Mark. You do not have to have the Zoom app. loaded on your device; simply click the portion of the invitation that says, “to join the meeting, click here.” If you are not able to join by using video, you may join by audio only using your phone and calling into one of the numbers listed on the invitation and then keying in the meeting code. The Zoom invitation for the large group session will be emailed out on Sunday night prior to our meeting time on Tuesday.

After the large group session, you will have the opportunity to meet with your small group and discuss the small group questions that will be provided during the large group presentation (and emailed to you as well). You take responsibility for forming your own small group (any group larger than one person and smaller than eight people). As a small group, you decide when, where, and how you would like to meet. Make sure that if you’re meeting in person, please follow all protocols for proper social distancing and related issues to preventing the spread of COVID-19.

**CREATION CARE**

The results of a newly released survey by the National Wildlife Federation (NWF) show a strong interest in **growing native plants that benefit wildlife**. In 2019, **36.8 million Americans purchased native plants, and 23.1 million transformed parts of their yards into natural landscapes**. NWF's Garden for Wildlife program saw an **increase of six times its usual traffic on its website, with 247,000 registered certified wildlife habitats, up more than 10,000 sites since last year**. THE FALL SEASON is a great time to find solace in wildlife gardening, where you can plant with a purpose. **Visit: [nwf.org/outdoors](http://nwf.org/outdoors) for more information on how you can create eco-friendly green space to relax and rejuvenate outdoors**. Another source of information: **Native Plant Society of Minnesota**, whose website dispenses information about plants specific to your ecoregion, how to garden with those plants and where to purchase them. More help: your **county extension office**, which has lists of trees, shrubs, perennials and annuals native to the local area, as well as Master Gardener volunteers who can do **site visits and provide help with other gardening questions**.
