

Texas A&M IHSA Equestrian Team

Member Interest and Tryout Application

Howdy! Thank you for your interest in the Aggie IHSA Equestrian Team. Please read the information below regarding the different levels of membership we offer. Then fill out the following form and answer the short answer questions on a separate page. **Email all applications as a PDF to aggieihsa@gmail.com.**

There are **three possible membership levels** offered on the Texas A&M IHSA Equestrian Team: Competitive, Non-Competitive, and Social. We group these membership levels into **two tiers: Competition and Social.**

Social Tier:

Prospects who select the social tier are not required to try out but are **REQUIRED** to complete an interview to be considered for membership. This option is great for those who want to be involved with the team but cannot commit to the requirements for competition tier membership.

Competition Tier:

Prospects who select the competition tier are **REQUIRED** to try out and **REQUIRED** to complete an interview to be considered for membership. This option is for those who want to be eligible for the show roster. Competition tier members will be designated a “Competitive” or “Non-Competitive” status after the first scrimmage. Competitive members will be picked first for the show roster, but Non-Competitive members could be picked to show if a spot in their division is available. Keep in mind that these statuses are fluid, and members can be moved from Competitive to Non-Competitive or Non-Competitive to Competitive at any point during the season.

On the next page are the requirements for each tier and what to expect in a semester. If you have questions, please email aggieihsa@gmail.com or watch the team informational on the Aggie IHSA website.
