

A Message from our PTSA President...

Welcome back to a new school year.

We invite all families and faculty members to join the Ward Melville High School PTSA. We welcome your attendance as well as your input at all of our meetings. Each meeting provides an opportunity to get information about what is happening at WMHS from our students and administrators, connect with other parents, and voice your questions and concerns. Our first meeting is September 10th at 5:30pm in the WMHS library. Please check out this website for our other meeting dates. There are numerous opportunities for parents, teachers and students to get involved.

Ward Melville PTSA will help to work on exciting new ways to connect our school with students and parents including information from our Board of Education members and our student support staff on topics such as mental health, vaping and navigating the college application process.

Ward Melville PTSA will be helping to host the district wide Homecoming Carnival on October 3rd 2026. Homecoming is a great way to show community spirit, support Ward Melville High School and get younger children excited about attending the school in the future.

SAVE THE DATE - SENIOR SCHOLARSHIP FUNDRAISER

District Wide 3rd Annual 5K / Turkey Trott is November 21st

If you're interested in volunteering to help out with the Homecoming Carnival or the Turkey Trott, please contact Heather Fortner, ponokeeo@aol.com for more details.

Please join the WMPTSA at this link: <https://wardmelville.memberhub.store> or by going to the top of this page and clicking the membership tab. By becoming a member, you will receive emails with important information from the PTSA.

For more information, please keep visiting the website or email me, shammamurphy@gmail.com

Sincerely,
Shamma Murphy
Ward Melville High School PTSA President
