

Attention Senior Parents!

Ward Melville PTSA needs sponsors for our First Annual Virtual Senior Snowflake Ball! It is customary for parents of seniors to donate to the senior scholarship fundraiser. All the profit we make goes directly to senior scholarships, so the more donations we receive the more scholarships we can give out. This years senior scholarship fundraiser will look a little different. Due to Covid-19 we are asking for monetary donations in lieu of basket donations. When you donate, your name will be added to our sponsor page on the PTSA website. Please go to wardmelvilleptsa.com to donate today!

Starting February 14th, The PTSA board will raffle spectacular prizes on our website. We will keep the chances to win open until March 4th.

On March 5th Mr. Bernhard will have the pleasure of drawing the names for each prize.
