

A Message from our PTSA President:

Welcome back to the 2024-2025 school year! We at Ward Melville PTSA, would like to invite all families and faculty to join... strength is in numbers. Our first meeting of the year will be held September 18th at 7PM in the library. Our goal to see all of us unite and make our school and district a cohesive place for us all to work together. Attending meetings will be your opportunity to be involved, heard and voice any concerns where they can actually be discussed, answered and addressed appropriately. PTSA will be represented at Homecoming on September 27th, where you can bring younger siblings and together we can show community and school spirit!

Membership allows PTSA to provide our children with opportunities such as senior scholarships. This year our main fundraiser will be a Turkey Trot, the weekend before Thanksgiving which will include all schools within the district. We have some fun and light competition planned where all schools will have the opportunity to win the coveted Gold Sneaker :)

We welcome all members to attend our meetings where you can have input and a voice in your child's educational process. We host members of the Board of Education as well as representatives from Ward Melville administration and our student body liaison. We will hold meetings headed by our guidance department about navigating the college preparation and application process, mental health initiatives and as always the budget meetings with Q & A. Please see our website for all meeting dates, agendas, minutes and contact points.

Please join WMPTSA at <https://wardmelville.memberhub.store> or by going to our website and clicking the membership tab. You can hand it in, send it in with your child, snail mail it or use the handy dandy QR code to do it in a snap! When you become a member, you will receive important emails and updates from the PTSA. You may contact me at my email and/or check our website for updates and ongoing initiatives.

All the best for a productive year,

Dawn DePinto, Ward Melville H.S. PTSA President
