Teacher: 3 to 7-year-olds Group

Little Tree Huggers Education Hub | Long Melford

We're looking for a warm, creative and nurturing teacher to join our Hygge-Waldorf inspired Education Hub, working with children 3-6/7 years of age.

Our approach is gentle, holistic and child-centred, with learning woven naturally through play, storytelling, creativity, nature, movement, practical activities and meaningful everyday experiences.

The Role

You'll create and lead a calm, engaging daily rhythm, providing developmentally appropriate learning experiences inspired by our Head Heart Hands approach.

The role will include planning and leading activities, supporting children's individual learning and development, encouraging imaginative play and creativity, spending plenty of time outdoors, and creating a warm environment where children feel safe, valued and are able to flourish.

We're looking for someone who

- Has experience teaching or working with children aged 3-7
- Has a relevant teaching or education qualification
- Is warm, patient, creative and nurturing
- Values play, nature and experiential learning
- Enjoys storytelling, art, craft, music and practical activities
- Understands that children develop and learn at their own individual pace
- Has an interest in Waldorf/Steiner, holistic or alternative education
- Is confident working both independently and as part of a small team

Previous Waldorf experience is welcomed but not essential – an openness to our ethos and a genuine love of working with children is most important.

Working Hours

Part-time, 3 days a week, 9am-3:30pm | Either term-time only or all year round

Start Date
