Miko's Rescue Mission Inc. is a 501(c)3 non-profit organization dedicated to saving pitbull and bully breed dogs from euthanasia at high-kill shelters across California. Specifically, our focus is on saving the dogs who have special behavioral needs, the dogs that are considered harder to get adopted. We know these types of dogs deserve a second chance just as much as any other dog.

The organization was established in May 2024 by Crystal Cassese and is inspired by her soul dog, Miko who she adopted from the shelter in November 2022. After being completely unprepared for navigating life with Miko's special behavioral needs related to severe separation anxiety, animal reactivity, and sound sensitivity, Crystal had to make significant changes in order to be able to properly care for Miko.

Throughout those life changes, she became increasingly passionate about one day wanting to help save other pitbull dogs who were also struggling with various behavioral problems, because she saw how precious, loving, and worthy Miko was, despite the challenges they faced daily.

Over the last 2 years, Miko's Rescue Mission Inc. has saved 28 dogs from death, placed many into loving forever homes, and has remained committed to each dog for their lifetime. Going into our 3rd year, our focus is now shifting towards sustainability and the long-term goals of saving more pitbulls!

In order to do this, we are seeking support from businesses, philanthropists, community members, and other nonprofit organizations. While we have a core group of monthly supporters, the fact remains that we are a small organization operating with incredibly restricted financial resources.

Miko's Rescue Mission Inc. saves the dogs that no one else is coming for, and the truth is, we need to have adequate funding and resources to keep doing so. Every dog saved and every family positively impacted by adopting one of our "big feelings" pitties shows us that these dogs are worth it! Each dog saved goes on their own journey towards a second chance at life and joy, none of which is possible without supporters like you. These dogs deserve to be celebrated and loved, and that's why it's our mission to SAVE MORE PITBULLS!

Thank you in advance for your financial contribution; we are gracious for your desire to help keep Miko's Rescue Mission going for years to come. Please go to MikosRescueMission.org to learn more and be sure to follow us on IG/FB/TT for the latest updates!

With Gratitude,

Crystal Cassese
