Individual Plan of Care for a Child With Special Health Care Needs or Disabilities

An individual plan of care is necessary when a child has a special health care need or disability and it is necessary that special care be taken or provided while the child is at school. Please provide a detailed description of the special need or disability and a detailed plan for appropriate care.

Child's Name: _____

Date of Birth: ____/____/____

Special health care need or disability:

Note: Section 19a-79-5a(a)(2)(E) requires a child's Health Record to include information regarding disabilities or special health care needs such as allergies, special dietary needs, dental problems, hearing or visual impairments, chronic illness, developmental variations or history of contagious disease, and an individual plan of care for the child with special health care needs or disabilities. The plan shall be developed with the child's parent(s) and health care provider and updated as necessary. Section 19a-79-4a(h)(2)(H)(viii) requires that the health consultant shall assist in the review of individual care plans, as needed.
