<p>The Mortgage Eliminator™ software uses your existing mortgage details (Mortgage Balance, Term, Interest Rate & Amortization Period) and mathematically creates a 'revised' amortization schedule, however, you control the subtle increases (1% - 5%). Both, your old and new amortization will be illustrated, on a side by side basis, for easy analysis and comparison. Suggestion: Request multiple subtle rates...</p> <p>The report will also highlight your mortgage elimination <u>date</u>; the date you become 100% Mortgage Free!</p> <p>2nd Opinion Service: If you would like to speak with a Money Café Executive or to a Mortgage licensed Financially-Focused Member (FFP) for additional info, or to discuss how we're able to save you thousands of dollars in 'unnecessary' interest payments, contact us by submitting your request via our online forms.</p> <p>Finally, the report will illustrate how much interest <u>you will be saving</u> by following the new Mortgage Eliminator™ amortization schedule. Suggestion: Use your interest savings to PRE-FUND your retirement's nest egg... 😊</p>			

Disclaimer: The Money Café™ is a "FINANCIALLY-FOCUSED EDUCATION & LITERACY" Membership based Canadian Corporation. Our website and portal are designed to fulfill our primary objective of, 'Elevating the Financial Intelligence Quotient in ALL Canadians' or FIQ; The Money Café™ is NOT LICENSED to 'sell' nor 'market' any financial services; being sales neutral was the ONLY strategy/method of maintaining our OBJECTIVITY. The Money Café™ executives however, hold multiple licenses, in the following sectors: Life & A/S Insurance, Segregated/Mutual Funds, RESP's, IROC, Accounting, Mortgages, Real Estate and Mortgage/Real Estate based investing. However, The Money Café™ is NOT EXCLUSIVE to our executives, we will NEVER circumvent an existing agent-client relationship, nor will we ONLY promote ourselves, thus fulfilling our objectivity.

Our tools and support services do not require licensing, as were working with 'product neutral' recommendations, mathematical formulas, 3rd party financial planning software, budget/cash flow calculators, multiple excel spreadsheets, mortgage elimination software, business development/learning library and analytical forms, which are required to collect 'user-driven' data to generate unbiased recommendations/solutions/results. We strongly recommend our Financially-Focused Consumer (FFC) Members seek multiple opinions from multiple advisors (can be provided by The Money Café™) before purchasing any financial products. We are providing unbiased, objective financial advice/facilitation from 3rd party professionals, who have decades of industry and financial experience and are 100% VETTED via The Money Café™ stringent vetting process.

Our secondary objective is to connect and/or recommend Financially Focused Professionals (FFP) with Financially Focused Consumers, (FFC) if they (FFC) REQUIRE additional advice or to book a one on one meeting with a licensed FFP. All FFC Members MUST initiate the request for service via our on-line forms, ensuring The Money Café's™ objective/mandate of 'Elevating The Financial Intelligence Quotient in all Canadians FIQ'. Our objectivity has to be front/centre and identified as the star of focal point of our financial education & literacy platform and the primary focus of ALL Member (Professionals and Consumers) alignment.
