

Meet Mattie — The Heart Behind “Special Tees”

Hi, I'm Mattie! I'm part of the team at Proforma Marblehead Marketing.

I'm 20 years old and I'm learning how to be a businessperson. I work with my dad at his company, and we started something really cool called Special Tees.

It's all about helping people like me — people who learn differently — get real experience, meet great people, and spread some smiles along the way.

Here's how I help at Proforma:

- I talk to people and tell them about what we do
 - I share fun ideas for cool swag and branded gear
 - I make sure everyone feels welcome and seen
 - I'm learning how to be a great speaker and team member
 - I show people that working hard can be fun
-

Thanks for letting me introduce myself!
I'm proud to represent a company that believes in ability, creativity, and kindness. 💙💛
