Hiking Trail (Time)	Trail Description	HIKING TRAIL	Trail Description
1. It's a Ten (1 - 3 hrs)	This well marked trail follows the It's a Ten Road from the top of the resort down through Crystal Bowl and links up with the Bowl Over Loop trail, to bring you back up to the top. Please be advised that mountain bikers also use the road and have right of way.	5. Dogtooth Ridge (1 - 6 hrs depends on turnaround point)	"This trail leaves the controlled recreational area" Follow It's a Ten road for approx 200m, then follow the trail up to the left and along the ridge line. At the Y intersection, go right to the top of the Blue Heaven Lookout. This trail continues north on the backside of the ridge for several kilometres, eventually ending in the Gorman Lake area. Wild flowers and fantastic mountain vistas can be found all along this trail.
2. CPR Ridge (20 - 30 mins)	Begins at the top of the Golden Eagle Express Gondola and heads east down the ridge, parallel to the gondola line. Be sure to take in the lookout points offering spectacular views of the Columbia River Valley, Blaeberry Valley and Rocky Mountains.	6. Terminator Peak (1 - 2 hrs)	From the Gondola top, head east along CPR Ridge and then follow the signs south for Terminator. The trail culminates on T2 summit lookout, at the top of an alpine meadow. Enjoy the spectacular views of the Columbia wetlands to the south with the Rocky and Purcell Mountains on either side.
3. Terminator Ridge (30 mins - 1 hr)	From the Gondola top, head east along CPR Ridge and then follow the signs south for Terminator. This well defined trail cuts below Terminator Peak and heads to the Super Bowl saddle.	7. T2 Peak (30 mins - 1 hr)	From the Super Bowl Saddle, continue following the main ridge up through a light scramble section. The trail culminates on T2 summit lookout, at the top of an alpine meadow. Enjoy the spectacular views of the Columbia wetlands to the south with the Rocky and Purcell Mountains on either side.
4. Bowl Over Loop (2.5 hrs)	Starts from the Gondola top and follows the CPR Ridge trail (2), dropping in elevation until you reach Tower 12 of the Gondola line. From Tower 15 you start your heart pumping ascent up through the natural beauty of Bowl Over. Gaining elevation with every step, the trail heads up through large rocks, alpine meadows and along natural moraine features before its steep final leg that finishes you back up at the summit of Kicking Horse.		

Type	Hiking Trail	Time	Distance (Return)	Elevation Gain	Trail Description	Trailhead & Access
Short Hikes	1. Cedar Lake Recreation Site	Various	Various (1-2 km)	Minimal	Begins at the day use area and runs along the east side of Cedar 1 Lake, and provides access to the secluded Cedar 2 Lake. Watch out for bikers.	Take the paved road towards Kicking Horse Mountain Resort and turn left onto the Tallis forest service road for 2 km and turn left at the junction to Cedar Lake, where you will immediately see the parking area and a trail kiosk.
	2. Confluence Park	20 mins	2 km	Minimal	Meander through the wetlands and forest along the edge of the Columbia River.	Trail starts just past the road bend at the north end of the Golden Municipal Airport next to the concrete vault toilet.
	3. Dainard Lake *	1 hr	3.8 km	30 m	Short and relatively flat trail that accesses a beautiful lake deep within a narrow valley. Watch for wildlife including bears.	Head east of Golden on TransCanada Highway 1. Exit onto Beaverfoot FSR. After 39 km, exit left onto the Thomas Branch FSR and follow for 7 km to the cut back where a trailhead kiosk is located. Watch for traffic. Visit www.goldenhikes.ca for detailed information as there are many junctions to navigate.
	4. Dawn Mountain	Various	Various	Minimal	Follow the winter nordic ski tracks for a quick and easy hike. Some great views of Kicking Horse Mountain Resort and the Dogtooth Range. Muddy sections in spring and may have construction in summer. Watch for wildlife including bears.	Located at Dawn Mountain Nordic Centre at the base of Kicking Horse Mountain Resort.
	5. Rotary Trails	2 hrs	16 km	32 m	In-town hiking and hiking loop. Winds its way along the Kicking Horse River, through residential areas, tree paths and past Reflection Lake.	Start right at the Kicking Horse Pedestrian Bridge in downtown Golden, or at any point along this well-marked trail.
Half Day	6. Canyon Creek	1 - 3 hrs	8 km	350 m	A spectacular hike along the north rim of Canyon Creek, with three lookouts featuring views of the Creek and Columbia Valley. Watch for mountain bikers. Ridges and cliff edges are not forced over a caisson at all times. Watch for wildlife including bears. Beyond the third lookout the trail becomes narrow and travel beyond is not recommended.	Located at the end of Canyon Creek Road in Nicholson 9 km south of Golden. Trailhead is located past the concrete barriers. Don't be put off by the awkward steep section at the start as the trail soon assumes a pleasant grade.
	7. Gorman Lake *	2 hrs	6.6 km	290 m	Hike to a beautiful alpine lake through a forest, across a boggy section with boardwalks and climb across a rock slope. Gorman Lake FSR and hiking trail may be snowbound and inaccessible until July. Watch for wildlife including bears. There is a map kiosk at the trailhead.	Located on Gorman Forest service road, off Golf Course Rd. Park at the wooden bridge. Do not attempt to drive this road without a high clearance vehicle. The 17 km access road is extremely rough with large potholes. The last 2 km of road are badly eroded and you must park at the road bridge which crosses Gorman Creek and proceed by foot.
	8. Quartz Lake *	5 hrs	11 km	565 m	A lovely lake nestled in an alpine valley. The trail is well defined and climbs steeply up a forested slope, crosses several side paths, and then follows the creek to the lake. The top third of the trail can be wet throughout the summer. Watch for wildlife including bears.	Located west of Golden, off the TransCanada Highway 1 on Quartz Creek forest service road.
Full Day	9. Thompson Falls	4 hrs	12.8 km	85 m	Forms part of the David Thompson Heritage trail from Saskatchewan Crossing to the Columbia River. Initially follows close along the Blaeberry River and ends at Thompson Falls where the Blaeberry River enters a gorge through a narrow tunnel. Be careful when viewing Thompson Falls. There is a map kiosk at the trailhead.	Head west on TransCanada Highway 1. Exit highway onto Moberly Branch Road, right onto Golden-Donald Upper Road, left onto Moberly School Road, this becomes Blaeberry Road. Trailhead at east end of QB campground.
	10. Wolverine Pass *	8 hrs	15 km	675 m	Follows a forested creek for most of the way. Terrific views are available just past the pass. Caution is required when crossing the single log bridge with a rope railing. Watch for wildlife including bears. East of the pass, national park rules apply.	Head east of Golden on TransCanada Highway 1. Exit onto Beaverfoot FSR. After 31.7 km take the left fork and continue past Moose Creek branch to the Wolverine Branch and follow for 10 km to the trailhead kiosk. Visit www.goldenhikes.ca for detailed information as there are many junctions to navigate.
Half Day	11. Mt. 7 Summit Trail *	3 hrs	8 km	570 m	This trail traverses down the front (west) face of the lower summit of Mt. 7. It follows from the main (lower) launch site to a point roughly mid-way along the Bowle-Evans FSR. It does not lead to the true summit of Mt. 7. Steep, fast mountain bike trails cross this trail - do not attempt to hike these. Look uphill for bikes as you cross these paths.	Located close to the S.E. town boundary. Take the 15 km Bowle-Evans forest service road with rough sections to the hanger and paragliding launch site. Park your vehicle at the obvious parking area. Watch for traffic.
	12. Mount 7 Upper Launch	3 hrs	8 km	400 m	Hike up from the main (lower) launch site to the less frequently used (upper) launch site which offers excellent views of the Columbia Valley and the summit of Mount 7. Parking is at the main (lower) launch site. This route begins by hiking on an old 4x4 road with several junctions. Watch for steep drop offs, cliffs, and wildlife including bears. Recommended for experienced hikers only. Visit www.goldenhikes.ca for detailed information as this hike has complicated route finding.	Located close to the S.E. town boundary. Take the 15 km Bowle-Evans forest service road with rough sections to the hanger and paragliding launch site. Park your vehicle at the obvious parking area. Watch for traffic.
Full Day	13. Table Mountain	7 - 10 hrs	10 km	1230 m	It offers little in the way of respite as it climbs steeply to the top of Table Mountain. Once there, expect to find beautiful subalpine meadows to explore. Watch for steep drop offs, cliff edges and wildlife including bears.	The trailhead and parking is 6.2 km east of Hwy 1/Highway 95 intersection in Golden on TransCanada Highway 1, but can only be accessed from the west bound lane of the highway. Do not cross the highway. Travelers from Golden will need to proceed past the trailhead and continue east on the TransCanada Highway 1 for 5 km, taking the left exit to the Kicking Horse Rest Area. Turn around and head back on the highway westbound. Look for the "Danger Avalanche Control" red/orange sign at trailhead. Exit onto the Dart Creek FSR for 30 m. Trailhead is on the right with a sign on a tree.

SAFETY IS YOUR RESPONSIBILITY
Hiking trails in this map should only be undertaken by persons experienced in hiking in mountain backcountry. Even short and easy trips can have serious hazards including wildlife encounters, weather and other natural hazards so minimise your risk by planning ahead and being prepared. Ensure you have the correct training, skills, knowledge and equipment before venturing out. Check road and weather conditions, including avalanche risk, active logging and restrictions that may be applied to forest service roads. Pack adequate food, water, clothing, topographical maps and gear including a first aid kit and bear spray. Travel in a group. Tell someone where you are going, when you will be back and an emergency contact number if you do not return. Many of the trails described here are located in mountain wilderness areas which may not have cell phone coverage or other communication services and from which rescue may be difficult. Some trails are not maintained and have no trail signage. The condition of the trails, roads, attractions, areas or any locations contained on this map are subject to change without warning or notice and may deteriorate or change from the descriptions here and at www.goldenhikes.ca at any time. *High clearance vehicles are recommended for all trails

FOREST SERVICE ROADS
Users must be cautious and plan for the unexpected. Most have gravel surfaces and are single lane. They may be limited visibility, soft shoulders, little to no ditch, tight curves, steep road grades and rough loose gravel surfaces, potholes, drop-offs, changing road surface conditions, freezing rain or snow, large industrial vehicles, high traffic volumes, passing or being passed on narrow roads, wildlife, rocks and boulders, and other unmarked hazards.
Check road and weather conditions, including avalanche risk, active logging and restrictions that may apply to forest service roads.
Most forest service roads are not suitable for recreational vehicles or travel trailers. High clearance vehicles are recommended.

AT THE HEART OF SIX NATIONAL PARKS.

Golden is surrounded by six of Canada's most stunning national parks; Yoho, Glacier, Kootenay, Banff, Jasper, and Mount Revelstoke. Stay in Golden to enjoy an authentic mountain town, the spectacular scenery, iconic hiking trails, waterfalls, lakes and heritage sites of the national parks.

For accommodation information visit: tourismgolden.com or call 1-250-439-7290

YOHO NATIONAL PARK
Yoho National Park protects Rocky Mountain landscapes on the western slopes of the Continental Divide. Rock walls and waterfalls, forests and meadows, sparkling lakes, and cascading rivers set the scene for memorable hiking. It offers alpine majesty within reach of casual hikers, and seasoned backpackers alike.

With over 400 km of trails to explore, from Emerald Lake to the Icefield and everything in between, there is something for everyone. Travel trails that have been used for over a century to investigate the park's rich heritage of chalets, cabins and fire lookout towers. Looking for something different? Take a guided hike to the restricted Burgess Shale fossil beds and hold half a billion years of history in your hands.

GLACIER NATIONAL PARK
The steep mountains and narrow valleys of Glacier National Park are home to unique stands of old growth cedar and hemlock as well as a great diversity of wildlife. Discover the magic of the Columbia Mountains on trails pioneered by legendary Swiss mountain guides. Take a gentle stroll amid moss-draped old-growth cedars or hike through alpine meadows strewn with lichen-covered boulders. Self-guided interpretive trails highlight original Canadian Pacific rail grade and hotel ruins. Up for a challenge? Several difficult hiking trails in Glacier National Park lead to stunning ridges and viewpoints that make the climb worthwhile.

KOOTENAY NATIONAL PARK
Kootenay National Park is a place of striking contrasts, from icy mountain rivers to steamy hot springs and has hiking for different levels and abilities. In Kootenay National Park's rich landscape, you can find everything from high elevation glaciers to post-wildfire regrowth forests and diverse wildlife.

Take a 60-minute scenic drive and discover a new surprise around every curve. Explore deep canyons, tumbling waterfalls and ochre pools a short stroll from the road. Feeling energetic? Challenge yourself to a day-hiking adventure to a pristine backcountry lake or alpine meadow. Want to go farther? Explore a multi-day trail and sleep under the stars.

- PLAN AHEAD & PREPARE**
- Remember, you are responsible for your own safety.
 - Get advice from a Parks Canada Visitor Centre.
 - Study trail descriptions and maps before starting.
 - Check the weather forecast and current trail conditions.
 - Choose a trail suitable for the least experienced member in your group.
 - Pack adequate food, water, clothing, maps and gear.
 - Carry a first aid kit and bear spray.
 - Tell somebody where you're going, when you'll be back and who to call if you don't return.
 - Travel with a friend or group.
 - Be prepared for emergencies and changes in weather.

Stay on Maintained Trails

- To prevent trail damage stay on the trail and avoid shortcuts.

Backcountry
A backcountry camping permit is required for overnight trips. Reservations can be made three months in advance.
Glacier National Park call 250-437-7500.
Kootenay National Park call 250-347-9505.
Yoho National Park call 250-343-6783.

- Leave What You Find, and Take What You Bring**
- Pack out all garbage, including diapers and food waste.
 - Bury human waste in a hole 15 cm deep and at least 100 m away from any water source. Pack out your toilet paper or use biodegradable toilet paper and bury it.
 - Natural and cultural resources such as rocks, fossils, artifacts, horns, antlers, wildflowers and nests are protected by law and must be left undisturbed for others to discover and enjoy.

- Cycling**
- Cyclists are susceptible to sudden, dangerous bear encounters – slow down, stay alert and make noise.
 - Mountain biking is allowed only on trails designated for cycling.
 - Cyclists yield to hikers. Cyclists and hikers yield to horses.
 - Stay on trails to avoid skidding.

- Fishing**
- A national park fishing permit is required.

SAFETY
Emergency
Cell phone reception is unreliable. If you have cell phone reception, call 911. There are emergency phones in multiple locations through Kootenay National Park. For backcountry emergencies, push the SOS button on your satellite communication device, or if using a satellite phone call Parks Canada Dispatch at 403-762-3470 (Yoho and Kootenay) or 1-877-882-3100 (Glacier).

Keep Wildlife Wild, and Yourself Safe

- Travel in groups and make noise to avoid surprise encounters.
- Do not feed, touch, or approach wildlife. Stay at least 30 to 50 metres away from most animals, and 100 metres away from bears.
- Carry bear spray and know how to use it.
- Pets must be on a leash at all times.

Avalanches
Avalanche season extends from November until June. Whenever there is snow on a slope, there is potential for an avalanche. If you choose to travel in avalanche terrain, come prepared with the right equipment and training.

HIKING IN GLACIER NATIONAL PARK					
Type	Hiking Trail	Est. Time (Return)	Distance (Return)	Elevation Gain	Trail Description
SHORT HIKES	1. Hemlock Grove	15 min	350 m loop	Minimal	♿ A ramped boardwalk offering a barrier-free rainforest experience among devil's club and towering cedar and hemlock. Pavement leading up to the trail is uneven due to root damage.
	2. Rock Garden	30 min	430 m loop	Minimal	A short trail through boulders and evergreen forests with great views of nearby peaks.
	3. Loop Brook	40 min	1.7 km loop	Minimal	Interpretive trail highlighting railway history. Walk among giant stone bridge pillars.
	4. Meeting of the Waters	30 min	3.3 km loop	Minimal	Forest walk past the confluence of Asulkan Brook and the Illecillewaet River.
	5. 1885 Trail	2 hrs	9.2 km (return)	Minimal	Interpretive trail along the original Canadian Pacific rail grade connecting the Illecillewaet and Loop Brook campgrounds.
	6. Bear Creek Falls	1 hr	1 km (return)	95 m	Short trail leading down to a secluded glacial waterfall.
DAY HIKES	7. Marion Lake	2.5 hrs	6.4 km (return)	425 m	Sleep forested hike to a small subalpine lake along the first leg of the Abbott Ridge Trail.
	8. Great Glacier	2.5 hrs	8.4 km (return)	320 m	Once leading to the Illecillewaet Glacier, formerly named the Great Glacier, the short trail now concludes at sloping bedrock, hidden from the view of the receding glacier.
	9. Bostock Crest	7 hrs	15.6 km (return)	740 m	Moderate hike through the interior rainforest and into the subalpine forest.
	10. Avalanche Creek	5 hrs	10.2 km (return)	795 m	Hike into an open alpine basin nestled between Avalanche Crest and a ridge off Eagle Peak.
	11. Batu Pass	4 hrs	12.8 km	780 m	Trail through avalanche paths into alpine meadows offering amazing views. Grizzly bears are common here and you must hike in a group of 4 or more adults between July 15 and September 30. Dogs are not allowed on this trail.
	12. Asulkan Valley	6 hrs	15.8 km (return)	870 m	Glacier views, mountain scenery and waterfalls. Trail steepens after 4 km.
	13. Hermit	4 hrs	6.4 km (return)	820 m	Known for its epic steepness! Climb many switchbacks, rock stairs, and rope-assisted scramble to an alpine meadow and backcountry campsite (permits required). A mountaineering route created by North America's first recreational climbers, this tough trail switchbacks from valley bottom to alpine. Beyond the tunnel to Perley Rock, conditions vary and hikers should have route finding skills. A backcountry campsite at trail's end is an ideal climbing basecamp (permits required).
	14. Sir Donald	5 hrs	12.2 km (return)	1010 m	An ambitious day hike ending at a high viewpoint overlooking the Illecillewaet Icefield.
	15. Glacier Crest	6 hrs	13.4 km (return)	960 m	Sleep trail up onto a ridge providing a panoramic view of rock and glacial ice.
	16. Perley Rock	6 hrs	12.8 km (return)	1145 m	A steep trail up onto a ridge providing a panoramic view of rock and glacial ice.
MULTI-DAY	17. Abbott Ridge	6.5 hrs	15.6 km (return)	1030 m	Trail up to alpine tundra that ends on a narrow ridge. During early season take the marked short cut to avoid a steep snow slope.
	18. Lower Beaver Valley	3.5 hrs	10.2 km (return)	320 m	This rare valley bottom trail winds through rich old growth forest. Turn right at junction (5.1 km); maintained trail ends shortly after the Grizzly Creek bridge. The upper Beaver Valley Trail beyond Grizzly Creek is no longer maintained and is not recommended. Visitors enter at their own risk. Turn left at junction A (2.4 km return side trip) (unmaintained) is possible up to Cooperstein Bridge. The trail is closed beyond this point.
MULTI-DAY HIKES	19. Bald Mountain Wilderness Route	Varies with route selection	30 km (return) varies with route selection	1125 m varies with route selection	This wilderness hiking route crosses rolling subalpine meadows that form the east boundary of the park. The route receives no maintenance. Hikers should have the skills, equipment and experience required for route finding and travel in remote mountain environments.
	* Many trails in the park can be accessed from either Illecillewaet Valley or Illecillewaet Campground parking lots. If you are hiking from the Illecillewaet Campground, subtract 2 km from the trail length.
